

Joy Huber Intro:

Our Speaker this (morning) is:

Joy Huber, a.k.a. "Ms. En'JOY'able"

Joy is an award-winning international professional speaker & business communications expert.

Her mission is to help companies & individuals improve their communication skills so they can achieve better results in business & life.

She has spoke before various corporations across the country, including Wal-Mart, Hilton Hotel's Doubletree Hotel, Konica Minolta Business Solutions and Benchmark Biolabs.

Most recently Joy released her newest CD: **"Talk to the Hand: A Woman's Guide to Truly Thriving Amongst Difficult People."** This CD is jam-packed with valuable information for women in business, including why people are difficult, how to communicate more effectively, and how to deal with the emotions and manage the stress that comes from being around difficult people.

Her program today is called:

(insert program title/theme here)!

Ladies and Gentlemen Let's Welcome

Joy Huber
